Content Spotlight: Canadian Who's Who

This month we would like to draw your attention to the well-known directory "Canadian Who's Who."

The [Canadian Who's Who](#) database contains biographical sketches on over 13,000 Canadians. You'll find precise information on distinctions, degrees, names of kinship, occupations and professional history for these individuals.

This database is available to ALL subscribers, and is located in the "FP Advisor" section of the navigation menu. You can begin your search of Canadian Who's Who from four places:

1. Listed as its own source under "Additional Databases"
2. As a source in our Lead List Generator
3. Find results in "Person Search"
4. Find results in "Global Search."

For details, or assistance in locating and using this fantastic resource, please don't hesitate to contact us.
