Site Enhancements

'Return to Top' added to the full-text newsletter

The ability to 'Return to Top' has been added to FPinfomart.ca's full-text newsletters. The Newsletter Publisher tool offers you the option of sending your recipients a summary version, or a full text version. For those who prefer the full-text newsletter e-mail, you will now notice the link at the bottom of each full-text article. For more information and illustrations on this great new addition, please visit [our blog](#).

The Fixed Income database is now available

Formerly available only in print format, Fixed Income will allow you to find both Preferred shares and Corporate Debt belonging to Canadian companies. Data items include amounts outstanding, coupon and yield, detailed descriptions of features, maturity dates and more. You can search by specific company or filter the database using the searchable fields as parameters.

For illustrations on how to use this great new database, please [visit our blog](#).
