Dear FPinfomart Client,

Whether you need to refresh your memory on Expert Archives syntax, want an overview of a specific feature, or need a back-to-basics review of setting up Personal Profiles, FPinfomart has an extensive library of help documentation. And now, all of these documents have been updated on FPinfomart.ca to ensure that they provide accurate, recent information on using the website's features and tools.

To access the help materials, click "[Help](#)" from the menu of links at the top of the FPinfomart screen to access the help document index.

As always, if you ever have questions or comments about the site, the help documentation, or the contents of this newsletter, please do not hesitate to contact me.
