

Intelligence you can count on.

Dear FPinfomart Client,

We are thrilled to announce that many new community sources have been added to FPinfomart this month. As you will also read below, FPinfomart's Blog now includes a help document library, and the Breakfast Series presentation slides.

As always, please do not hesitate to contact me if you have any questions about the contents of this newsletter, or if I can be of any help.

Content Update

Additional Community Publications Now Available

We are pleased to announce that 41 additional community publications are now available for search and monitoring on FPinfomart.ca.

Be sure to retrieve content from these great new sources in your [Personal Profiles](#) by including them in your profiles' source selections. Simply click, 'edit' from within your personal profile results summary, and choose 'Show me my current database selections'. Place a checkmark next to the sources that you would like to include, and click 'Save'.

For a complete list of the newly added publications, please visit the [FPinfomart Blog](#). Please note, for some customers there may be some restrictions on the availability of these sources due to licensing restrictions.

Site Enhancements

Online Help Documentation Library now available

FPinfomart offers an extensive collection of help documents and tip sheets to assist users in navigating the tools available on FPinfomart to their fullest advantage. Access to the most up-to-date version of all FPinfomart help documents is now available on a dedicated page on the [FPinfomart Blog](#).

FPinfomart Breakfast Series Presentation

FPinfomart Breakfast Series Presentation Slides now available

Last month, FPinfomart held its annual Breakfast Series in four cities. This year's presentation, *YOUR Social Media Toolkit*, discussed how social media has impacted your business, and what you are doing to monitor, track and analyze social media information. In addition, the Breakfast Series presentation highlighted some of the changes that have been made to FPinfomart over the past year, as well as some of the exciting enhancements to look forward to. Thank you to all who attended. This breakfast seminar was a great success!

If you were unable to attend one of the sessions, or if you would like to review the presentation, you can [download a PDF copy of the presentation](#) from the FPinfomart.ca Blog.
